

MENTAL HEALTH SURVEY FOR CARE-EXPERIENCED YOUNG PEOPLE (AGED 13-25, LIVING IN ENGLAND)

We are running a research study about care-experienced young people's **experiences of finding & getting mental health support.**

What's involved?

- Take part in an **online survey**, which is anonymous and confidential
- The survey should take approx. **10-20 minutes**
- Includes **entry into a £25 voucher prize draw**

We welcome care-experienced young people with a **wide range of experiences & identities** (LGBTQ+, racially minoritised, neurodivergent and/or disabled).

Who can take part?

- **Care-experienced** (foster care, residential care, or kinship care)
- **Aged 13-25**
- Live in **England, UK.**
- Happy to share **what's been helpful, or not, when seeking mental health support**

About the research project:

The COLLAGE study was designed with **care-experienced young people.** It is led by the University of Birmingham, and our partners at the Universities of Bristol and Kent.
